Amit Swaminathan

Madhu Online Services Pvt. Ltd.

Company Profile

- In 2019, our company made the strategic decision to expand our services by launching a new CCTV and automation business.
- With the increasing demand for security solutions and home automation systems, we saw an opportunity to provide our customers with a comprehensive range of products and services that meet their evolving needs.
- Our new business unit specializes in the design, installation, and maintenance of CCTV systems and smart home automation solutions, including lighting, HVAC, and audio-visual systems.
- We have partnered with leading vendors in the industry to offer the latest technologies and innovations, and our team of experts is dedicated to providing top-quality services that exceed our customers' expectations.
